Chairman and Committee,
M.R.A.
Victoria.

Dear Committee,

I refer to my letter dated 28th June, 1983.

It was never my intention to resign from the M.R.A., just to resign as President. Therefore I request re-instatement as a member of the Victorian Branch.

A handwritten signature in black ink, which appears to read 'Damian Codognotto'. The signature is fluid and cursive, with a long horizontal stroke at the end.
