Dear Linda,

The State Committee wishes to inform you that at the September MRA Victoria Registers Conference a vote of no confidence in the State Membership Secretary was undertaken and passed unanimously by all Victoria Registers.

As a result of this vote, I regret to inform you that the State Committee hereby must vote on terminating your position on the Executive Committee of the Motorcycle Riders' Association of Australia Inc. (Victoria Branch). This vote must be undertaken at the next State Committee Meeting on October 30th where you have the right to appeal against the Register decision.

The Committee would appreciate your assistance in training a new computer operator in the interim. Furthermore all keys and any MRA property in your possession must be returned immediately.

Yours Sincerely,

Tony Scicluna
