Dear Sir,

Since September, 1985, I have been trying to have the M.R.A. Treasurer, Mr. Scicluna, change his funding arrangements for the computer loan.

Recently I discovered the true situation and felt you should be informed.

1. The Association should secure funds to pay Custom Credit and release us from this responsibility.
2. I have written to both Custom Credit and the M.R.A and received the attached reply. The M.R.A. has not replied.
3. There are eleven payments of \$295.35 totalling \$3,248.85 to pay.
4. I have no funds available.

Sincerely,

D. Codognotto
Director.
