

**THE MOTORCYCLE RIDERS' ASSOCIATION
OF AUSTRALIA INCORPORATED (VICTORIA BRANCH)**

PO BOX 64 COLLINS ST., MELBOURNE 3000.

8th August 1986

To the Committee and Members of the MRA,

Dear Members,

After 8 years continuous involvement with the MRA I have decided not to seek re-election at the 1986 AGM.

The reasons for not seeking re-election are simply because my time has come to call it a day and I believe that the MRA will be in capable hands in the future.

I have mixed feelings about giving it away, however through all the trauma and problems that have come with holding an Executive position, there has been equally, if not more, good times and successful achievements. I have made many good friends through the MRA.

I will always support the MRA and my advice and experience will be there to be drawn on if required.

I want to personally thank all those people who have given me support, criticism and the occasional 'shoulder to cry on' throughout the past 8 years.

I wish every success to the new Committee and ask that all Registers and Members support them in their endeavours. The MRA is an organisation we should all be proud of and its rate of growth and achievements over the years is unequalled in any other motorcycle organisation.

Yours Sincerely,

Anthony C. Scicluna
