MRAA

19/8/93

Dear Friend,

we the undersigned members of the MRAA in accordance with the MRAA Constitution, Clause 14.2 " SPECIAL MEETINGS". Hereby require the MRAA to hold such a meeting in the Melbourne area on the 26th day of *Sept.* 1993 to discuss and resolve the following concern that we have;

that the acting President Damien Codognotto, was not elected in accordance with the Constitution of the MRAA and further that in the opinion of many members of the MRAA, he is not a workable President who can unite motorcyclists to advance our interests, we therefore believe that he should step down.

Could you please notify all members of this meeting and let the undersigned also know of the confirmation of our constitutional request.

Thankyou,
