Dear Sir,

RE: MR. D. CODOGNOTTO -AND- THE MOTOR CYCLE RIDERS ASSOCIATION  
OF AUSTRALIA INCORPORATED

We have been consulted by Mr. Damian Codognotto of the Motor Cycle Riders Association of Australia consequent upon a number of serious allegations which have been made against him by you about his conduct as President of the Association.

We have been supplied with a number of items of material which on our instructions and on our view of the matter are clearly defamatory of Mr. Codognotto and we are instructed to demand that such comments cease.

We shall be in contact with you further in the next week setting out in greater detail those matters which our client regards as defamatory of him in the conduct of his position as President of the M.R.A.A.

Yours faithfully,  
J.N. MARTIN & PARTNERS.
