

Membership Report

Prepared by Garry Yip
26th January 1999

Purpose

To briefly analyse the MRAA's membership base in order to understand the current position and assist in the decisions regarding the future direction of the MRAA.

Data

The data for this report was drawn from the MRAA membership database as printed on 20th January 1999 by Damien Codognotto

Key Results

The major findings from the analysis are:

- The MRAA currently has a membership base of 1683 financial members
- Women membership comprises 145 members or 8.6% of total membership.
- There are 36 honorary lifetime members.
- Breakdown of membership by age demographics (refer to graphs).
Note the total number of members as shown in the graph is less than 1683 as 96 members did not disclose their age.
