Dear Mr Delahoy

I am writing to thank you for your recent donation to The Alfred, and to welcome you as new supporters of the Hospital. Your gift will be directed towards the purchase of a Rema Irrigator, which is used to clean out infections and debris from bones during Orthopaedic surgeries.

All day, every day, The Alfred's doors are open to patients who require urgent medical treatment. Having the best facilities, most extensive medical research and best equipment money can buy will ensure our patients are given the highest level of care available.

I am proud to work for The Alfred and I am excited to welcome you into our community. The Alfred plays a major role in providing specialist services to critically ill patients, and by supporting us, you are supporting our many achievements.

People like you save lives – literally. As a supporter of The Alfred, you are making a very real difference to the lives of people who are often at their most vulnerable. Thank you again, and we look forward to achieving many great advances in medical care with your assistance.

Yours sincerely,

Angela Mihelcic

(And of course, if you do not wish any further mailings from us, please let us know.)*

It was great meeting you Grant. I hope you're pleased in where your funds are being directed. Angela
