MRA VIC. STATE BRANCH

VICTORIA BRANCH HEAD OFFICE, 1/440 ELIZABETH ST., MELBOURNE 3000.

let those who ride decide

TO WHOM IT MAY CONCERN.

I hereby resign as a life member of the MRA of Aust Inc. (Vic. Branch) because:

1. of the constant threat of legal action against myself and my company by the State Branch MRA and continued lack of cooperation and communication by the State Branch in matters affecting the Membs.
2. of the apparent inability of the State Branch of the MRA to conduct its affairs in a businesslike and prof. manner which will lead to growth for the good of the membership
3. of the failure to keep accurate and proper records of meetings, to allow written input from interested members, to hold monthly public meetings or to produce a const that will allow for growth of the Assoc. as a nat. org and benefit current and potential members.

4. of the fact that I was ~~approached~~ told ~~that~~ that the President had  to be "got rid of". This was the same kind of ~~underhanded~~ covert & undermining of a comrade member that forced my resignation as Pres at the end of 85. The same people are involved and the elected Pres. must have both loyalty & support to do the job. The members elected Rose F. She still has my support but I do not wish to be assoc with back stabbers & white anters.
5. of the decision to return to AMC which I believe is a disastrous move for M/cing in this country.
6. Attitude to Vie Trams & the manner in which the 3rd Party campaign was conducted.

(4)

I will retain my position
as Patron of MRA Aust Soc. (Vic Branch)
and will be a Trustee ^{for} ~~of~~ the 4 B's.

I will continue as a member of
MRA Australia's ACT Branch and
support the National Exec of MRA
Aust. I will continue as Director
of MRA PROMO & MRA M/c INS.

BOTH COY NAMES ARE UP FOR SALE,

I would only be prepared to withdraw
this resignation when the MRA A Soc.
Recognises the contribution made
to the memb & M/c'ing by myself &
my coys in writing and agrees
in writing to drop any legal
proceedings against me or my coys.
